Initial Funding Commitment	760.000€ (original budget in Chilean pesos – 600.000.000) Total budget for three years

Who can apply?

Public and private research institutions

Private and public universities

What types of costs are eligible for funding?

I. Direct costs

a. Costs of personnel: Grants towards the costs of administrators and/or student assistants required in connection with the proposed project can be provided.

b. Costs of durable equipment

Funding for equipment can be provided. However, this only includes equipment that does not form part of an institution's basic equipment (i.e. no laptops, notebooks or equipment which is regularly used by the applicants).

c. Consumables and supplies

Any consumables necessary for the project implementation (expendable items, devices, business needs, transportation expenses, literature, rents, orders, etc.) may be considered as direct costs. Consumables are only eligible costs if bought after the start date of the project. Consumables belonging to the basic facilities of an applicant are not eligible.

d. Subcontracting

The general rule is that applicants shall implement the project and shall have the necessary resources to that end. However, as an exception certain parts that are not "core" parts of the project may be subcontracted. Examples for minor services to be subcontracted are: rent of locations, translation costs, costs for technical equipment in the context of the organization of events or printing services etc.

e. Other costs

Events: With regard to workshops in Chile, funding can be provided towards expenses such as catering, technical requirements and rental of the venue.

Travel and subsistence allowance: The subsistence allowance per full day (including accommodation, meals) in the context of a business trip should be applied as a lump sum of maximum 40.000 CLP per day (or its equivalent in other currencies) for a maximum of 30 days. Travel costs are eligible (economy class only).

Daily living allowance: 40.000 CLP

30.000.000 CLP per year per participating Chilean institution. The total project cost cannot exceed 75.000.000 CLP.

Other Information:

- Each Chilean partner can request up to 95.000€ per project. Please keep in mind that this budget may vary depending on exchange rate. (Maximum 75.000.000 pesos per project).
- Each Chilean partner applying for funds from CONICYT must include in its proposal a “Letter of Support” signed by the legal representative of their organization.
- Projects with Chilean participation must have a duration of minimum 30 and maximum 36 months.
- Applicants from Chilean institutions and the legal representative of their institution whose full proposals have been granted will have to sign a formal contract with CONICYT in order to transfer the funds from CONICYT to the beneficiary. Chilean beneficiaries will report funding directly to CONICYT according to the institutional requirements, which will be informed in the contract.
